(ii) The reemployment service was not performed subject to another retirement system, except when the deductions under the other retirement system have been refunded and a deposit paid to OPM, where the law so permits, or benefits under the other retirement system have been waived in favor of CSRS or FERS benefits; and

(iii) The reemployment service has not been used in the computation of another supplemental or redetermined annuity.

(2) A period of reemployment service during which annuitant status continues and annuity is paid, and which is excluded from the normal annuity offset from pay by special statutory provision, cannot be credited in the computation of a supplemental annuity or any subsequent annuity entitlement.

(2) The supplemental annuity of a FERS annuitant, and the supplemental annuity of a CSRS reemployed annuitant who has not elected FERS coverage and who was—

(iii) Separated from reemployment service, or converted to intermittent status, after serving 3 days or less in the month of such separation or conversion—shall commence on the earlier of the day after separation from reemployment service, the effective date of conversion to intermittent status, or the day after the date pay ceases.

(B) The pay during reemployment was subject to offset by the amount of annuity allocable to the period of reemployment; or

(C) The reemployed annuitant separated from an interim appointment made under the provisions of § 772.102 of this chapter.

(iii) Retirement deductions are withheld, or a deposit is paid, for the entire period of continuous reemployment service immediately preceding the most recent separation from reemployment service; and

(iv) The reemployed annuitant elects the redetermined annuity in lieu of his or her prior annuity and the supplemental annuity that would be payable under § 837.503 of this subpart.

(b) *Computation.* (1) A redetermined annuity is computed using all the re-employed annuitant's creditable service, under the provisions of law in effect governing the payment of CSRS and/or FERS annuities, as may be applicable, at the time of separation from reemployment service, or conversion to intermittent status.

(2) The amount of the redetermined annuity of an individual whose previous annuity was terminated under the provisions of § 837.202(b)(1)(iii) of this part will at least equal the amount of the terminated annuity plus any increases under section 8340 of title 5, United States Code, occurring after the termination of the previous annuity and before the commencement of the redetermined annuity, adjusted by any annuity increase or reduction resulting from additional or different elections made by the reemployed annuitant.

(c) *Commencing date.* The commencing date of the redetermined annuity is the same as the law and/or regulations would provide in the case of a retiring employee.

§ 837.505 Cost-of-living adjustments on Member annuities.

(a) *Applying cost-of-living adjustments to recomputed Member annuities under CSRS.* A member annuity benefit that is recomputed under section 8344(d)(1) of title 5, United States Code, which applies to certain former Members who become employed in an appointive position subject to CSRS, will include the cost-of-living adjustments under section 8340 of title 5, United States Code, that are effective after the commencing date of the benefit computed under section 8344(d)(1).
